EXPERIENCE

Bachelor Research Project

Leiden University

📅 February 2020 – June 2020 📍 Leiden

- Worked in a research group in the quantum optics department of Leiden University
- I came up with and explored a novel approach of employing neural networks for quantum state tomography.

EDUCATION

B.Sc. in Physics

Heidelberg University

📅 Sept 2017 – June 2020

Erasmus stay

Leiden University

📅 Sept 2019 – June 2020

STRENGTHS

Hard-working Motivated
First Principle Thinker

python Neural Networks (PyTorch)
Physics
